Dear Mr. Dulles:

Announcement on Operation Alert 1955, dated May 24, 1955, transmitting Annex No. 9 entitled "Inspection and Evaluation" provides for an independent inspection of agency operations at the relocation sites during the exercise.

Lyman C. Hamilton, Jr., Bureau of the Budget, has been appointed as inspector to cover the activities of your agency during the June 15-16-17 period. He has an appropriate security clearance.

Within the next few days he will get in touch with your Relocation Officer for a preliminary discussion and to acquaint your agency generally with his responsibilities as inspector for the Executive Office. He will report directly to the Office of Defense Mobilization for this purpose. It is our expectation that this independent inspection will be conducted in such a manner as to be of the most benefit to your agency, as well as the Federal Government as a whole.

You may be assured of the full cooperation and understanding of the above named inspector.

Sincerely yours,

For the Director,
